

Census 2010 Forms delivered in March

What is the Census?

The 2010 Census will help communities receive more than \$400 billion in federal funds each year for projects such as:

- **Hospitals**
- **Job training centers**
- **Schools**
- **Senior centers**
- **Bridges, tunnels and other-public works projects**
- **Emergency services**

In March of 2010, census forms will be delivered to every residence in the United States and Puerto Rico. When you receive yours, just answer the 10 short questions and then mail the form back in the postage-paid envelope provided.

If you don't mail the form back, you may receive a visit from a cen-

sus taker, who will ask you the questions from the form.

The majority of the country will receive English-only materials. Households in areas with high concentrations of Spanish-speaking residents may receive a bilingual (English/Spanish) form.

Any personal data you provide is protected under federal law.
