

**AUSTIN COUNTY  
RIGHT OF WAY  
PERMIT NO. \_\_\_\_\_**

Approval is hereby given to \_\_\_\_\_ for installation of \_\_\_\_\_, along the right of way of County Road, \_\_\_\_\_ Austin County, Texas.

Authorization is hereby granted for such installation, subject however to the below stated terms and conditions, to-wit:

1. The location and detail of the crossing within Austin County must be shown on the road crossing plans and profile drawings and the creek crossing plans and profile drawings provided by the Company requesting the permit.
2. The installation shall be accomplished without damage to the County Road, and any damage that does in fact occur, shall be promptly repaired by and at the expense of the Company requesting the permit.
3. Requesting Company will contact the County Commissioner of the respective precinct at least forty eight (48) hours prior to beginning the construction of the crossings in order that the County may have a representative present. A copy of the Court Order and/or Permit shall be delivered by Company to all construction contractors and for sub-contractors.
4. Adequate provisions must be made by and at the expense of the Requesting Company to cause a minimum of inconvenience to traffic and to adjacent property owners.
5. Emplacement operations are not permitted during wet weather.
6. All cut brush and debris are to be removed from right-of-way within seven (7) days.
7. Open trenches will be protected during off-duty hours by flasher lights.
8. Temporary construction signs are to be placed on the right-of-way at both ends of project.
9. All driveway entrances to be restored to original condition and resurfaced with suitable materials.

- 10. After construction, the Requesting Company will maintain the line so that there will be no interference with the public use of the roads and function of the creeks.
- 11. Austin County makes no charge whatever of the granting of this approval, and the agreement of the Requesting Company constitutes the consideration of this approval on the part of the County.
- 12. The action of the Requesting Company in proceeding with the installation of said pipe line shall constitute the agreement of said company to the terms and conditions of this document.
- 13. Such additional requirements as the individual situation and circumstance warrants.
  - a. As pertaining to pipelines
  - b. As pertaining to buried cable, the cable shall be buried at a minimum of 36 inches deep below the bottom of road ditch.
- 14. Any permit issued shall contain the provision that if, at any time in the future, it becomes necessary, in the sole opinion of the Commissioner's Court of Austin County, to lower, encase, relocate, modify or alter the buried utility, in a manner, by reason of the widening of the road, or for any other good and sufficient reason, written notice of that opinion will be given to the permittee, and said lowering, encasement, relocation, modification on or alteration shall promptly be accomplished by or at the sole expense of the permittee.
