HURRICANE HARVEY

News Release

Hotel Stays Extended to Nov. 27 for Eligible Harvey Survivors

AUSTIN, Texas – Eligible Hurricane Harvey survivors receiving Transitional Shelter Assistance (TSA) may receive an extension to stay temporarily in hotels while they look for an alternative place to live.

Disaster survivors with a continuing need for the hotel sheltering program may be extended to Nov. 27. However, there is a mid-term eligibility review on Nov. 7 where survivors participating in TSA will receive a phone call, email, and/or text message advising them if they have continued eligibility for assistance through a TSA participating hotel.

Hurricane Harvey survivors who recently applied for assistance will be notified automatically of their eligibility. To be considered for TSA eligibility, disaster survivors must be registered with FEMA for disaster assistance, and meet other TSA eligibility criteria.

FEMA facilitates payments to the hotel for the room and any applicable taxes (including non-refundable pet fees – up to the maximum allowable room night charge). Applicants are responsible for all other incidental costs (meals, transportation, etc.). Hotels require a government issued photo ID at time of check-in, survivors must adhere to any hotel check-in requirements and may be required to provide a credit card for incidental expenses.

A household of four or fewer members is authorized one hotel room and a household of five or more will be authorized additional rooms (limit four people per room). One member of each household, 18 years or older, must reside in each room.

Applicants with disabilities or who have access and functional needs should check with hotels to ensure appropriate accommodations are available. Those with pets must check with the hotel to see if the hotel accepts pets.

TSA-eligible applicants must find and book their own hotel rooms. The list of participating hotels is available at [DisasterAssistance.gov](https://www.disasterassistance.gov) under the [Transitional Shelter Assistance Program](#) link or by calling FEMA at 800-321-3362. For 711 or Video Relay Service, call 800-621-3362. For TTY, call 800-462-7585.
